

INTERNSHIP YEAR 2026/27

**Playing our part in seeing Camberley
encounter God and experience hope**

ARE YOU EXPLORING A CALL TO MINISTRY?

We'd love to hear from you!

We are looking to appoint an intern for academic year 2026/27 to train here at St Paul's as they discern a call to church based ministry. This scheme will give you an opportunity to grow in faith in community, develop leadership skills, and explore your calling in the context of a thriving and growing evangelical charismatic church in Camberley.

THE CONTEXT

St Paul's is a lively and growing church situated a short walk from Camberley town centre. We have a diverse range of ministry opportunities, reaching people of all ages, led by our staff team and volunteers. You will be joining a church with a history of investing in interns and ministry trainees, who will care deeply for you and support you as you worship and serve alongside us.

WHAT WILL OUR NEXT INTERN DO?

We are able to offer one of two internship schemes at St Paul's Camberley - the Ministry Experience Scheme in partnership with the New Wine Discipleship Year, and the Future Youth scheme for those looking to focus their internship on children and/or young people.

The exact nature of the internship will be shaped in conversation with the successful candidate and their supervisor. This could include preaching and being involved in Sunday services, leading worship, helping with children's or youth groups, or with local outreach and mission. Your role will be flexible and shaped around your gifts and calling whilst being an active member of our staff team.

Whatever their focus of ministry and training, the successful candidate will participate in weekly theological and practical training, whilst playing an active role in ministry at St Paul's. The ministry involvement will be catered to the successful applicant to ensure the year is as beneficial as possible for them. We want you to come here to grow!

WHAT CAN WE OFFER?

We are able to provide accommodation with members of St Paul's church family, a weekly living allowance of £74 per week (plus expenses), training and personal investment, and a loving and supportive church family who will be delighted to walk alongside you! You will join the church staff team and will meet regularly with a mentor for personal and spiritual support.

WHAT NEXT?

We would love to hear from you! For an informal conversation, to find out more or for details about how to apply, please contact our Vicar at ben.perkins@stpaulscamb.co.uk

Please be assured of our prayers as you discern whether you might explore joining us.
